UNDER 37 CFR 1.28(c) AND MPEP §509.03**

Commissioner for Patents

Dear Sir:

When the above-referenced patent application was filed, the Applicant was established as a small entity. However, through inadvertent error, no loss of entity status was filed thereafter, and subsequent filing fees were submitted as small entity in error. These fees were paid in good faith and without any deceptive intent. This error was recently discovered by the Applicant of the entire interest in the application, a large business entity, and conveyed to the undersigned. Thus, Applicant is concurrently submitting the deficiency fees in compliance with 37 CFR 1.28(c)(1) and (c)(2). The itemization below shows the small entity fees actually paid, the deficiency owed amount, and the total deficiency payment owed.

<u>Fee Type</u>	<u>Date Paid</u>	<u>Amount paid</u>	<u>Current amount</u>	<u>Owed amount</u>
Extension of time (3 months)	09/16/2005	510.00	1,050.00	540.00
Issue fee	05/01/2006	700.00	1,440.00	740.00
Total owed =				\$1,280.00

Please charge the deficiency fees, and any additional fees deemed necessary in connection with this communication, to our deposit account No. 50-2613, referencing our Docket No. 57708.00016.UTL1. Applicant will submit large entity maintenance fees when they become due.

Respectfully submitted,

PAUL HASTINGS JANOFSKY & WALKER LLP
